RE: Letter of Recommendation – San Fong Seng Construction & Engineering Company Limited

We confirm that San Fong Seng Construction & Engineering Company Limited was employed by the Dragages Project as the RC Structure Package Contractor for the following functional areas of the City of Dreams- Phase 3 – Hotel D:

- Core Walls (West Core and East Core) with about 160m high
- Structural Walls and Non-Structural Wall / RC Columns /Staircases
- Water Tanks
- RC Beams and Slabs
- Lift Pits & Shafts
- Swimming Pool Basin RC Structure

Their Scope of Works are including formwork, steel propping, rebar fixing, supply and placing concrete and all necessary associated safety measures.

Given the fast track nature of this Project, San Fong Seng has demonstrated that they have the ability to efficiently coordinate with the various consultants and other trade contractors to deliver and to complete all their works in a professional and timely manner. They have also achieved the high quality standard requirement of this project.

We appreciate San Fong Seng's contribution to the success of the Dragages Project and have no hesitation in recommending them to other projects of similar nature.

Yours faithfully,
For and on behalf of
Dragages Macau Limited
